

TEATRO

Luca Scacchetti

The miter cut details of this wardrobe follow the design concept of TEATRO collection. The lacquered strip at the bottom frame makes it graceful and attractive. Inset door handles on the front panel minimize the risk of damaging garments.

STRUCTURE

Base and legs in solid wood, other parts in veneer on particles board, doors in lacquered MDF wood, edge of base has lacquered decoration

FINISHING

Doors in lacquer, other part in walnut or stained oak
